- Q. Use of improper voltage for electric products and for battery products, batteries that have been exposed to temperatures beyond those specified in the product's instruction manual, or have not been properly charged or have reached their useful life.
- R. Where any warranty card is incomplete or missing information as required, or due to failure to return a copy as specified to THK.

7. DEALER'S RESPONSIBILITIES

- A. As part of the STIHL Authorized Dealership agreement, the Dealer is required to provide warranty service on all STIHL Products (including STIHL products purchased from other STIHL Authorized Dealers) upon provision of the warranty card by the Consumer.
- B. In considering application for warranty for a consumer's machine, the Dealer must be satisfied that the machine has been maintained correctly in accordance with the Owners Instruction Manual, used with reasonable care and for the purpose for which it was designed.
- C. If the Dealer is unable to decide if the item is covered by warranty, the Dealer should contact STIHL Technical Department at THK Powertools (M) Sdn. Bhd. for clarification through the Technical Support Hotline number.
- D. Where a part or item is warrantable, the repair/replacement of that item will be carried out by the STIHL Authorized Dealer at no cost to the customer.
- E. The STIHL Authorized Dealer is expected, either prior to or at the point of sale, to perform the following minimum requirements: -
 - i) Check that all the warning decals are in place and firmly attached.
 - ii) Before handing over the product, the machine must be operational and all the controls and settings checked according to the machine specifications i.e. Carburetor settings/ chain brake/oiling.
 - iii) Ensure that the machine is supplied with the correct Owner Instruction Manual, tools and that the Consumer/operator is familiar with the proper use and operation of the product.
 - iv) The dealer is obliged to complete in full the information required in the Warranty Card upon the sale of the product. The Owner's copy must be given to the Consumer. A copy of the Warranty card must be returned to THK within 30 days via mail or by hand to THK's Sales Representative from the consumer purchase date and the dealer's copy should be retained for reference by the dealer.

8. CONSUMER'S RESPONSIBILITIES

- A. To apply reasonable care in the maintenance, operation, and storage of the product as specified in the Owners Instruction Manual.
- B. In the event of any failure for which a claim is made under warranty, the Consumer must deliver or ship the product to any authorized STIHL dealer in West Malaysia for repair together with proof of date of purchase. Freight costs and transportation charges if any, will be borne by the Consumer.
- C. The Consumer must retain a copy of the Warranty Card and invoice for the length of the limited warranty period as proof of purchase. THK Powertools (M) Sdn. Bhd. reserves the right to request a copy of the Warranty Card and invoice to verify warranty coverage in the event a claim for warranty is made for the machine.

9. WARRANTOR'S RESPONSIBILITIES

- A. Any defective product or component covered by this warranty will be repaired or replaced at the option of the warrantor at no cost to the Consumer.
- B. Product failures covered by warranty will be scheduled and repaired according to the normal workflow of the authorized STIHL dealer to whom the product is delivered and subject to the availability of replacement parts in the dealers' inventory.
- C. In the event the Consumer does not receive satisfactory results from the authorized STIHL dealer, the Consumer may contact the THK Technical Support Department at the address and telephone number set forth in paragraph 5.
